

The WVMF believes

Anyone who is injured by an unexploded ordnance (UXO) should have access to free medical treatment.

WAR VICTIMS MEDICAL FUND

A fund that provides essential support to victims of UXO accidents.

ເວີລ໌ເອດຢູເຄຊັນ
WORLD EDUCATION

What Does the Fund Cover?

- Transportation within Laos
- Medical care.
- Food allowance during hospital stay (includes two family members)
- Surgery cost
- Accommodation during hospital stay (150,000 LAK/ night)
- Dental Services
- Assistive Devices
- Contribution towards funeral/ Religious ceremony.

Who is Eligible?

Lao citizens of any age involved in an UXO accident due to*:

- Fire
- Daily Living Activities
- Residential/Public Construction
- Anyone under 18 who plays or accidentally dismantles a UXO

Available at all Provincial Hospitals

* Accidents whose cause is outside of the WVMF policy will be decided on a case-by-case basis

Exceptions:

The fund excludes any person who:

- Uses a UXO or weapon for crime to harm others or themselves;
- Dismantles a UXO for the purpose of generating income from scrap metal;
- Is involved in a UXO accident at a commercial construction site where workers are covered by insurance.
